

Interchangeable Roughing End Mills

Roughing End Mills – 4 Flutes

Fine tooth staggered chip breaker design on cutting flutes are good for chip breaking.

Application for roughing cutting process.

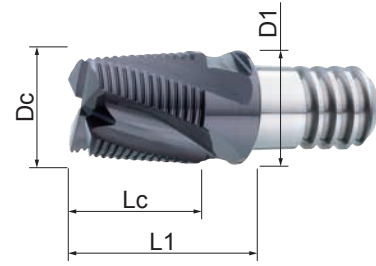

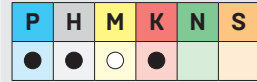

Good wear resistance and lubricating effect with Nano multilayer coating.

4刃粗加工立銑刀

細波浪齒形設計，齒形交錯利於斷屑。

適用於粗加工重切削工法應用。

採用奈米多層膜塗層具有優異的潤滑及耐磨性。
